TECHNICAL BULLETIN

CONCRETE REMOVER HD

CONCRETE TRUCK CLEANER

DESCRIPTION

CONCRETE REMOVER HD is a muriatic acid formulation designed to remove concrete from trucks, mixing equipment, bricks, ceramic tile, and most metallic surfaces. It is a strong acid mixture which is inhibited to minimize attack on metal surfaces. Do not use on aluminum or magnesium surfaces.

DIRECTIONS

For heavy build-up, use full strength. For light duty cleaning, dilute with water as needed. Apply by spray or brush. Allow to remain on the surface being cleaned until concrete deposits are removed. Rinse thoroughly with water. Repeat application if necessary.

CAUTION

Contains hydrochloric acid, UN 1789. Harmful or fatal if swallowed. If swallowed, DO NOT INDUCE VOMITING, drink large amounts of water to dilute and get medical aid. Will cause severe eye irritation and may cause skin irritation. In case of eye contact, flush with water for at least 15 minutes and get medical aid. In case of skin contact, flush with water. Wear protective gloves, boots, goggles, etc. sufficient to prevent bodily contact. Poison.

WARRANTY

Mobile Solvent & Supply, Inc. products are safe and effective when used as directed. When using as a cleaner, always test a small area for adverse reaction. Since the manufacturer cannot control conditions or method of application, no warranty or liability beyond replacement of defective product is offered.
