TECHNICAL BULLETIN

READY CLEAN

CONCRETE TRUCK CLEANER

DESCRIPTION

READY CLEAN is an acid mixture designed to efficiently remove concrete from trucks, mixing equipment, bricks, ceramic tile, and most metallic surfaces. Do not use it on aluminum or magnesium. It does not contain muriatic acid.

DIRECTIONS

For heavy build-ups use it full strength. For light duty cleaning, dilute with water as needed. Apply by spray or brush. Allow it to remain on the surface being cleaned until concrete deposits are removed. Repeat application if necessary. Rinse thoroughly with water.

CAUTION

Contains phosphoric acid. Severe eye irritant, may cause chemical burns to eyes and skin. Inhalation can cause irritation or corrosive burns to the upper respiratory system including nose, mouth, and throat. Ingestion causes irritation and can cause corrosive burns to mouth, throat, and stomach. Can be fatal, if swallowed. Wear chemical goggles and face shield when eye and face contact is possible due to spraying and splashing. Where bodily contact is likely, wear chemical resistant gloves and clothing, and rubber boots.

FIRST AID

Eye contact: Immediately flush eyes (holding eyelids apart) with plenty of water for at least fifteen minutes. Get medical attention.

Skin contact: Immediately flush skin with plenty of water while removing contaminated clothing. Get medical attention if irritation develops or persists.

Ingestion: Do not induce vomiting. Drink large amounts of water to dilute the acid. Get medical aid immediately.

Inhalation: Remove to fresh air. Get medical aid if needed.

KEEP OUT OF REACH OF CHILDREN
