TECHNICAL BULLETIN

DYNAFOAM

FAST • BIODEGRADABLE • SAFE HIGH PERFORMANCE CONCRETE REMOVER

DESCRIPTION

Apply it with a foam gun to minimize drippage. DYNAFOAM is 100% biodegradable and is environmentally friendly. It is odorless and non-fuming. It does not contain hydrochloric, muriatic, phosphoric, or sulfuric acids that damage trucks and equipment. It dissolves built-up concrete without harming trucks and equipment. It is non-corrosive, non-flammable and non-hazardous to equipment. It is effective in removing built-up cement, concrete, mortar, grout and drywall from any surface. Use it to clean painted surfaces, aluminum, steel, brick, wood, plastic, glass, fiberglass, and rubber. It excels in cleaning ready-mix trucks, mixers, trowels, tools, forms, molds, walls, aluminum window frames, patios, and wooden decks.

DIRECTIONS

DYNAFOAM is formulated to be used full strength on heavy deposits but it may be diluted for economy on light duty cleaning. Apply it with foam gun and allow it to soak for a few minutes. Repeat the application if concrete deposits are heavy. Do not rinse between applications, but keep the area wet with DYNAFOAM until concrete is completely soft. Wash the softened concrete away with water using as much pressure as possible.

CAUTION

Eye contact may cause irritation. Flush eyes immediately with water for at least fifteen minutes, holding eyelids open to insure thorough flushing. Get medical aid if needed. Inhalation of mists may cause respiratory tract irritation. If inhaled, remove to fresh air. Get medical aid if needed. Skin contact may cause irritation. Wash exposed area thoroughly with soap and water. Wash contaminated clothing before re-use. Ingestion may cause irritation of digestive tract. If swallowed, do not induce vomiting, get medical aid.

WARRANTY

Mobile Solvent & Supply, Inc. products are safe and effective when used as directed. When using as a cleaner, always test a small area for adverse reaction. Since the manufacturer cannot control conditions or method of application, no warranty or liability beyond replacement of defective product is offered.
