TECHNICAL BULLETIN

CITRU-SHINE

COIL CLEANER CONCENTRATE

♦ NON ACID ♦ BIODEGRADABLE ♦ NON TOXIC ♦

DESCRIPTION

CITRU-SHINE is a biodegradable system of surfactants, emulsifiers, and penetrants designed to easily remove soils from air handling equipment. It is formulated for easy cleaning of evaporators, condensers, fan blades, blowers, grilles, and filters. It leaves the fins clean and bright without the damage done by acid cleaners.

INSTRUCTIONS

- ♦CONDENSERS: Dilute 1 part cleaner with 6 parts water for heavy duty cleaning. Spray on coil and allow to soak for a few minutes. Rinse grease, oil, and soils away with water spray.
- ♦EVAPORATORS: Dilute 1 part cleaner with 10 parts water. Spray on and allow to soak for a few minutes. Turn unit on and let condensate flush soils away. Rinsing is not necessary.
- ♦FAN BLADES, BLOWERS, GRILLES, FILTERS, ETC.: Dilute 1 part cleaner with 20 parts water and spray on surface to be cleaned. Scrub with brush or cloth if necessary. Rinse well.

CAUTION

Corrosive material. Eye contact will cause severe burns or blindness. Skin contact may cause severe irritation or burns. Ingestion will cause severe irritation or burns to mouth, throat, and digestive tract. Inhalation of concentrated spray mist will cause burns to airway. Eye contact, flush with water for at least fifteen minutes, and get medical aid. Skin contact, flush with water. Ingestion, drink water and get medical aid. Inhalation, get medical aid.

NOTICE

Mobile Solvent & Supply, Inc. products are safe and effective when used as directed. When using as a cleaner, always test a small area for adverse reaction. Since the manufacturer cannot control conditions or method of application, no warranty or liability beyond the replacement of defective product is offered.
