TECHNICAL BULLETIN

ALL PRO

PROFESSIONAL STRENGTH DEGREASER CONCENTRATE

DESCRIPTION

Extremely powerful and versatile, **ALL PRO** is made with high performance ingredients to provide fast and effective removal of stubborn baked-on grease, oil, and soils from engines, machinery, floors, trucks, and greasy equipment. It is safe to use on iron, steel, stainless steel, galvanize, concrete, rubber, and plastic. It may damage aluminum. If used too strong it may damage some paints.

DIRECTIONS

Always test it for adverse reaction on an inconspicuous area. Easy and economical to use, actual use concentration depends on the work to be done.

For light duty cleaning, dilute 1 part **ALL PRO** with 6-10 parts water. Apply by spray or brush, allow to soak for a few minutes and scrub. Rinse with water.

For heavy duty cleaning, dilute 1 part **ALL PRO** with 10-100 parts water. Apply by spray or brush, allow to soak for a few minutes. Scrub with a brush and rinse with water.

For degreasing, dilute 1 part **ALL PRO** with 50 parts water and apply with a hot water high pressure washer. Rinse well with water.

Do not allow it to dry on any surface to avoid streaking.

CAUTION

CAUSES BURNS. HARMFUL IF ABSORBED THROUGH SKIN. Contains sodium hydroxide and 2-butoxyethanol. Wear safety goggles and chemical resistant gloves and shoes when handling. Eye contact may cause severe burns or blindness. Immediately flush eyes with water for at least fifteen minutes, holding eyelids open to insure complete flushing, and get medical aid. Skin contact may cause severe irritation or burns, flush thoroughly with water. Swallowing may cause severe irritation or damage to the mucous membranes of the mouth, throat, and digestive tract. If swallowed, **DO NOT INDUCE VOMITING**, immediately drink water to dilute and get medical aid. If inhaled, get fresh air, and get medical aid.

WARRANTY

Mobile Solvent & Supply, Inc. products are safe and effective when used as directed. When using as a cleaner, always test a small area for adverse reaction. Since the manufacturer cannot control conditions or method of application, no warranty or liability beyond replacement of defective product is offered.
